MEDICAL WOODENWARE Our wood-based products are made from Northern White Birch, which yields a high tensile strength while being smooth to the touch. Medical woodenware is used for patient oral exams, gathering specimens, applying and mixing medicine, and various health and beauty applications.

MEDICAL SPOONS

Count on the consistent quality of our medical spoons. Excellent as an aid in dispensing wet medication mixtures. Also very useful for general purposes in healthcare and industrial environments.

	Item No.	Description	Length	Packing	Weight
